

UPDATED NOTICE TO MEMBERS 14 APRIL 2020

To our valued Members,

Our thoughts were with all of our members over Easter and we hope that you all stayed safe and enjoyed the Easter Break, albeit a little differently from years gone by. I would like to give special thanks to our front line members who are out working in the Community to ensure that the rest of us have the services we need.

The Club has now opened for takeaway and I would like to thank our members for their support in this new venture. It is going well and we hope to see this trend continue. We are looking to develop a care package option in the coming weeks and have already sought feedback from our members on what they would like to see in the package. Again I thank the members for their input.

Whilst this is a difficult time the Club has not been idle and has taken advantage of the closure to address some maintenance issues including new paint and fixing up the offices damaged by the storms in February.

The Club has also been working hard to ensure it takes care of its staff. The Club has taken advantage of the JobKeeper scheme offered by the Federal Government and began payments last week. I want to make it clear our staff have been stood down, not terminated. We have a fantastic team at Club Jervis Bay and we want to ensure that our staff are ready to come back and hit the ground running as soon as this is all over.

We are all really looking forward to welcoming our members back through our doors and we are working hard to ensure that when the time comes we are ready to go. The Board is working closely with the Management Team and will continue to do so. Whilst the Club may not be trading as usual there are still important day to day tasks which need attention such as ensuring our financials are closely monitored, creditors and staff are paid and the Club is secure along with complying with all regulatory reporting.

The Club will continue to keep members up to date as information comes to hand.

Take care and stay safe.

For, and behalf of, The Board of Directors

Gary Elliott
President
