

## NOTICE TO MEMBERS 20<sup>th</sup> MAY 2020

To our valued Members,

It has certainly been a challenging time for us as a club, a community and a nation. I hope you and your families are all well and staying safe during these times.

It has now been seven weeks since the mandatory shutdown of Clubs has been in place due to Covid 19.

As I am sure many of you are aware the NSW Government has given Clubs permission to have 10 patrons in the Club restaurant as of Friday 15 May 2020. The Club is currently working on how this may be applied and will update our members as soon as possible – please keep an eye on our Facebook page and our newly revamped website.

During the shutdown we have maintained high levels of contact with our staff to ensure that their health and wellbeing is monitored during this difficult time. The Club's staff have been very busy ensuring that every area in the Club has been given a deep clean, we have scrubbed every inch! A big thank you to the staff who have been in to make sure the Club is as clean as a whistle. Along with the deep cleaning of the Club our staff and Directors are completing specialised on – line training in the treatment of Covid 19 for when we re -open.

We have been working on our website and it is now up and running – take a look at [www.clubjervisbay.com.au](http://www.clubjervisbay.com.au). Ben Crouch and Cassy Jenkins have been working very hard on this project and the result is very pleasing we now have a clean and easy to navigate website with links to Shoalhaven and NSW tourism promoting the beautiful area we live in.

We have also been undertaking some major renovations to our kitchen. In the past three years the volume of food produced by our kitchen has gone up somewhere in the vicinity of 30% and we have simply run out of room, so we are expanding the area to allow for more storage and a better layout for our Chefs. We have upgraded our tired equipment and resealed the floor. Our current timeline for the completion of the project is early July. We are currently running our takeaway kitchen out of the Cheesy Grin, which is working well – if you haven't tried our takeaway you really should. Most of our pizzas are available and the Roasts are as good as Mum's Sunday best, we also have a selection of specials that change each week – again check out our web page for the menu, and Facebook for updated specials.

Our Membership renewal period is usually run from 30 June, however this year we will be running renewals once the Club is reopened to members and guests – again please keep an eye out for an email and notices on our Facebook page and website.

For those members who joined in the weeks just before the shutdown you will not need to renew your membership it will automatically be continued for the next financial year.

We are all really looking forward to welcoming our members back through our doors and we will be in contact as soon as we can to let you all know how and when this will happen. Until then take care and stay safe.

**For, and behalf of, The Board of Directors**

**John West**  
CEO Club Jervis Bay
