

## NOTICE TO MEMBERS 1 July 2020

To our valued Members,

Today mark's one month since the reopening of Club Jervis Bay to members and guests. It has been an exciting month with the Club Jervis Bay team back to doing what we love - serving our members and guests.

Today brings with it some very positive news. Restrictions are now based on the 1 patron per 4 square metres (the 4 sqm rule), meaning the Club's capacity limit will now be at 522pax.

I want all members to rest assured the Club will still be practicing strict Covid 19 Safety Practices in-line with NSW Health recommendations.

- All members and guests will be required to apply the alcohol-based sanitiser when entering the Club.
- Alcohol-based sanitiser will be available in each area of the Club and we encourage our members and guests to use this when entering or exiting areas within the Club.
- A hygiene attendant will be cleaning frequently touched surfaces and gaming machines will be wiped down in between uses.
- Additional cleaning staff will be tasked with ensuring restrooms are disinfected several times per hour.
- The Clubs Covid-19 Marshals will be ensuring our members and guest adhere to the 4 sqm rule.

### The Bayview

The renovation to the Bayview is now complete and we reopened 26 June 2020. The feedback from our members and guests has been that the food is top notch and worth a visit to sample. The Board and Management would like to thank Kim and the amazing chefs of Club Jervis Bay for their efforts in getting the kitchen up and running and opened on time.

### Social Activities

We have recommenced several our social activities such as our Raffles and Bingo sessions, and we will look to reintroduce a number of other promotions after the upcoming school holidays. Please see our Social Media Pages and Website for updated details.
