

NOTICE TO MEMBERS AND GUESTS 31 December 2020

To our valued Members and Guests,

The NSW Government has mandated new entry requirements for all hospitality venues.

As of 1 January 2021, all Clubs MUST USE the Service NSW QR check in to allow for Covid-19 contact tracing.

We would strongly suggest that you download the Service NSW app as this will allow your details to be saved and you will not have to manually enter them each time you wish to scan into a venue.

The link to download the app is please visit the Service NSW Website.

In order to scan into the venue, you will need to:

1. Hold your smartphone camera up to the QR code which is displayed at the entrance to the Club.
2. Click on the link which appears on the screen and follow the prompts until you are checked in the Service NSW app.
3. Proceed to the Club entry and show your phone with the sign in confirmation to the reception staff.
- 4. All members will still be required to swipe in and out using their membership card**
- 5. All visitors will still be required to sign in through the Club sign in system for the purposes of recording proof of age and address.**
6. Don't forget to check out when you leave, which you can do from the app.

If you do not have a smartphone our receptions staff will be happy to assist you with the sign in process.

I want to thank all our members and our guests for their understanding.

Best regards,

For, and on behalf of, The Board of Directors
