

NOTICE TO MEMBERS AND GUESTS 20th APRIL 2021

To our valued Members and Guests,

On behalf of DR Pham and Vincentia Medical Centre, just a courtesy note to our members to let you know that whilst many Doctors are struggling to acquire or administer the COVID-19 Vaccine due to government limitations, Worrigeer medical Centre (owned by Dr Pham) was fortunate and received a large allocation.

Our members at this stage (70+) are invited to have their vaccine with them. It is free, you do not need to belong to the surgery, and you do not need to transfer to the surgery. This is a community service, and they want to vaccinate as many of our vulnerable as possible.

They are located at 51 Isa Road Worrigeer and our clinic is on Thursdays and Fridays. Please book in on 02 44216199 you will be in and out in around 30 minutes.

Or you can book online at <https://shoalhavenfamilymedicalcentres.com.au/.../book.../>
