How do I know what level I'm in?

- All new members will start in the Silver Tier. Ask our reception team or My Rewards PLUS concierge team member for more details.

Do My Rewards PLUS points expire each year?

- Yes. Points will expire 12 months after they are received (excluding Platinum and Diamond). So the first points received are the first to expire.

How does this program work?

- Present your membership card to staff when making purchases or insert your membership card in the console of any gaming machine.
- Every dollar you spend earns My Rewards PLUS Points. **Excludes all TAB, Keno and functions purchases.**

Do I earn Rewards Points from everywhere in the Club?

- Yes, every dollar you spend at Club Jervis Bay earns you Rewards Points **(excludes Keno, bottle shop & functions).**

What is the difference between My Rewards PLUS Levels?

- As you earn more My Rewards PLUS Points, you will enjoy higher discounts, higher bonus points and lots of other club benefits.

Is the discount on food and beverage unlimited?

- No. The maximum daily discount depends on your current My Rewards PLUS level.
Maximum daily discount for Silver & Gold Level = \$10,
Platinum Level = \$30, Diamond Level = \$50

How do additional bonus points work?

- Additional bonus points are given to My Rewards PLUS members at different rates for each My Rewards PLUS Level. Whenever you use your card to purchase food and beverages or play the gaming machines depending on your My Rewards PLUS Level you will automatically receive additional bonus points on top of your Rewards Points. These additional bonus points can be offered at any time or deleted without notice.

How do I earn My Rewards PLUS points?

- 1 point for every \$1 spend on non-gaming purchases
- 1 point for every \$10 turnover from gaming machines **(Excludes TAB and Keno)**

Additional information for members

- My Rewards PLUS level is determined by the number of points you have earned over the past 12 months and if you have maintained your rewards points you will remain in that relevant Rewards Level
- When you have achieved the required Rewards Level you will be automatically promoted to the next Rewards Level the following month. Rewards and benefits will increase with each level.

- Tiers will be reviewed on 1st January and 1st July each year and members will be moved between tiers according to the My Rewards PLUS points earned in the prior accrual period. A member can move up to the next tier level on the first of every month and remain in that tier for the rest of the 6 month period if the required number of Reward points have been earned. If you do not achieve the required points you will be moved to a lower rewards level.

How do I redeem My Rewards PLUS points?

- My Rewards PLUS Points may be used to purchase food and beverages within the Club. Present your Club Jervis Bay membership card when ordering and indicate that you wish to use Rewards Points. The value of the purchase will be discounted accordingly to your Reward Level and will be automatically deducted from your account.

Can I opt out of the Club Jervis Bay Rewards Program?

- You may opt out of the My Rewards PLUS Loyalty Program at any time however you will no longer obtain or accumulate My Rewards PLUS Points, be a part of the promotional activity or swipe your card to receive benefits.
