Catering Operations at Club Jervis Bay

The Board of Directors of Club Jervis Bay wishes to advise members that, by mutual agreement, Club Jervis Bay and Catering HQ have agreed to conclude their catering partnership effective from close of business on **30 September 2026**.

This decision has been made cooperatively between both parties and is considered to be the best outcome for both organisations moving forward.

The Board acknowledges Catering HQ for its contribution to the Club during its time operating our catering services and wishes Steve Sidd, Albie Aldahawi and the wider Catering HQ team every success for the future.

For Club Jervis Bay, our priority remains clear: to provide our members, guests and local community with a quality, reliable and welcoming food and beverage offering that reflects the expectations of our Club and the community we serve.

The Club is currently progressing arrangements for the future operation of our catering services. Members will be kept informed as these arrangements are finalised.

During the transition period, the Board and Management team will be focused on ensuring continuity of service and minimising disruption to members and guests.

Club Jervis Bay remains strongly committed to supporting our local community, providing a welcoming environment for members and visitors, and continuing to invest in the long-term future of the Club.

We thank our members for their continued support and understanding.
